**Gloucestershire Brass Band Association  
Entertainment Contest February 6th 2011**

**Adjudicator's Remarks**

- Ticket to ride - A touch of sparkle! The tempo drops a little during 7/8 but overall this is well rehearsed & well presented.
- Carrickfergus - Minor probs in the accompaniment but the tempo & style are ideal. Soloist plays well with only minor blemishes & decorative E/F is so well balanced. Really enjoyed the number. Thank you
- Two Imps - This just works a treat! A tempo that makes it sound easy with a real touch of charm. It's so well balanced with the band with lovely lyrical touches from the euphs!
- Crimond - Nice mood created. Well done trombones, not quite as smooth as I would have liked but with good phrasing. So many musical touches - a nice sense of line without over sentimentalisation!
- Hawai'i Hie O - An occasional loss of rhythmic cohesion but at this stage it can almost be forgiven

Thank you very much - a programme that worked!
