GOOD ENTRY

- ① Positive start with a good change of tempo - Well balanced and a fine band sound.
- ② Cont. Solo Confident soloist, band is sympathetic to the soloist.
Bass Drum is relentless! Well done cornet.
- ③ A good choice at this juncture
Well played - most enjoyable.
- ④ I would have liked this to have been smoother than it was, but it was played well in the main.
A very difficult ^{piece} to play, and detail is of the most importance, not always there.
- ⑤ A most entertaining finisher
Well done
